23. One of the recommendations coming from the Audit Committee in reference to the financial irregularities over the past few years, is to have a yearly audit done on the books...outside of the executive. One option is to hire an outside accountant to do an audit and report on the books at the AGM. This would mean an additional \$12 to \$35 on top of your regular hockey fees. Or, we would ask volunteers with a financial background from the league to do it pro bono and report back to the membership at the AGM, at no additional cost.
